## ABOUT US

SINO-MEDIA (HK) Co., LIMITED is a cable assembly manufacturer and signal transmission and interconnection solutions. Founded in 2008 and headquartered in Hong Kong, we have a strong manufacturing base in Suzhou, China.

Through a strategic acquisition in 2015, we expanded our capabilities to offer comprehensive solutions for various industries, and also have a new strong manufacturing based in Dongguan, China. Our focus on research and development has led to a wide range of high-quality products, from small-gauge cables to complex signal transmission cables.

Our Vision is to be the preferred partner for cable assembly, signal transmission and interconnection solutions, delivering exceptional value to our customers and driving the future of connectivity.

Our commitment to "high-quality products" is derived from the comprehensive and in-depth understanding of quality within our entire team. Each product undergoes a thorough 100% inspection through our multiple processes before it is eligible for external sales. Moreover, we adhere to standardized production procedures through ISO9001, ISO14001, TS16949, ISO13485, and UL certifications, ensuring strict quality control. Our aim is to provide customers with high-quality and reliable products.
